DEDICATION

The familiar face above is one that has been seen around R.H.S. for about 17 years now. Ardie Elkins has been the head custodian at Rockford for quite a time, and is now ready to give this post to another. As Mr. Elkins prepares for a somewhat quieter life, we would like to wish him the best of success in his future.

And, to try to show our appreciation for all the "behind-the-scenes" work that he has done, and for the patience that he has shown to all the students he has known, we would also like to dedicate this, the 1969 Ram's Tale, to Ardie Elkins.

TEACHERS!!

Pedro grows up.

SENIORS

VALEDICTORIAN

Jan Morrell was named valedictorian of her class, her grade point average being 10.42. Jan has been a part of such groups as Latin, Biology, and Pep Clubs, National Honor Society, and the newly-formed Future Teachers Club. She taught science to elementary students at Parkside during her senior year. In the summer of 1968, Jan traveled abroad with friends in the Europe Foreign Study League.

Jan will attend the University of Michigan next year, her major as yet undecided.

SALUTATORIAN

Lois Bartlett graduated second in the class of 1969 with a grade point average of 10.29. Lois has participated in many activities in her high school time. These activities have included Latin Club, National Honor Society, Ram's Tale Staff, Student Council, and Inner-School Commissioner.

In the future, Lois plans to attend Bronson Methodist School of Nursing.

TOP TEN

Row 1: Lucy Franks, Nancy Kleynenberg, Annette Weaver, Sally Botts, Lois Bartlett, Jan Morrell.
 Row 2: Larry Knapp, Gene Fonger, John Lavender, Mike Saladin.

For this year's Seniors, all the years were very good ones. We leave now with many wonderful memories, and we remember R.H.S. as one of the best.

MEMORIAL

Mary Marlatt

Even in years of happiness, there sometimes comes a dark note. One time of sorrow in our past came in the year of 1964. To an unsuspecting community, family, and class came the sadness of the loss of a friend and loved one. Mary Marlatt was a quiet member of the class, but a friend to many people. Her unexpected death brought sorrow and grief to all. She will always be remembered by her friends and classmates as a thoughtful and happy person.

SENIORS NOT PICTURED: David Alan Burge, Jacqueline R. Castine, Carla Faye Driver, Clinton E. Hoyt, Steve A. Janicki, Gary E. Page, Dean Edward Plesscher, Edwin A. Rogers, Robert B. Schimmel.

Strong as whiskey,
Sweet as wine,
We're the class of
'69!!

"I am Barbro Olander, 17 years old, and I come from Malmo, a city in the southern part of Sweden. We are five members in my family: my parents, my brother Birger, 21, and my dog.

I came over here in August to live in the Voss family for a year. I feel like I am a real member of their family. The living here and in my country is alike in many ways. I have a good time and really enjoy myself, and everybody I meet is very nice and helpful. The school system is different than I am used to. Some things are better and some are worse. You have much more school activities and you have a school spirit that I have never seen in my schools in Sweden. It is a great experience to come to a foreign country and live with a family and go to a school where so much is different, but even so is alike.

I want to thank everybody here in Rockford for giving me such a wonderful and unforgettable year."

Barbro Olander

IT WAS A VERY GOOD YEAR

"My name is Marise Caetano and I came from Brazil. My parents are lawyers and I have a sister, that just now is an exchange student in the United States like me. I live in the biggest city of my country, Rio de Janiero, and because of our hot weather, our way of life is a lot different, especially in the way of sports.

We never have snow, so we don't have skiing, ice-skating, snowmobiling, etc. Our sports stay around beach sports, like surfing, volleyball and tennis. The schools have different methods. We have 45 minute classes and a little break between the classes of 10 or 15 minutes. We don't have a choice of subjects, so I have about 12 or 13. Here I'm living with the Turners and I'm having lots of fun, principally with the snow, that really fascinated me since the time that I saw it. Snow sports are so good that I wish I could carry some of your snow with me.

The American people are really friendly and I'm enjoying myself very much this time I'm here. I'm sure that I'll never forget this time, especially because the United States is a country that really helps my own."

Marise Caetano

Myrta Staub

"I am Myrta Staub. I came from Switzerland to Rockford, to spend a year here in the United States. I am living with the Steinhauer family, where I feel very much at home.

I have the opportunity to learn about other customs and another way of thinking, the American one. There are differences, but they are not important, for people seem to be the same all over the world.

Most of my time is spent in school. I am learning a lot and I like the classes. In Switzerland we can't choose our classes, we choose a type of school after ninth grade. The school I am going to is called Gymnasium and is very small. When I go back there, I shall miss the school spirit of Rockford, for we don't have any sports in the Gymnasium.

I am planning on studying medicine after two more years in the Gymnasium. But I am also very interested in Interior Decorating, Languages, and Sociology.

This one year will be one of my most valuable and wonderful years, for I met so many people, who all helped me to understand more about America. Thank you!"

The Rockford High School Student Cooperative Association did much in 1968-69 to improve student life at R.H.S. and to bring student activity into the community. Besides their annual visit to the Veteran's Home, the Council contributed \$100 to the Grand Rapids Santa Claus Girls. They also sponsored Homecoming activities, and provided vending machines in the new cafeteria. The group's advisor is Mr. Godfrey.

RAMS TRI-RIVER CHAMPIONS

Coaches Don Verduin, Harvey DeGood, and Tom Baer

After a season opening defeat, the Rockford Rams went on to win eight straight games and the Tri-River Championship. It was the second straight championship for the Rams and their fourth in the history of the league.

To go with a strong defensive unit, the Rams had a powerful offensive attack. Led by the fine running of Karl Daukss and great offensive blocking, the Rams rolled up 240 points. The defensive team held the opponents to only 64 points all season.

To highlight the fine season five Rams were chosen for the all-conference team and one, Bill Hart, made all-state.

CROSS COUNTRY

This year Rockford's cross country team ran to a surprising six and two conference record, and they attained a fine second place finish in the league.

Composed mainly of underclassmen, led by Mark Haworth, the 1968 team showed good depth and individual effort. Next year looks promising also, with just three seniors out of the top ten leaving. The 1968 team's co-captains were seniors Don Alcumbrack and Bob TenEyck.

RAMS HAVE UNDEFEATED SEASON

The Rockford Varsity Basketball team hustled for its second straight undefeated year. The Rams had a regular season record of sixteen wins and no losses. The Rams triumphed as the Tri-River Conference champs and won the District title in the post-season basketball tournaments. They continued on to the Regional tournaments until bowing to Oscoda in the final battle for the Regionals.

The Rams had a season record of 19 wins and one loss. Over the past two years Coach Konkle's teams posted a record of 36 wins and 2 losses. The Rams averaged 73.3 points per game and only gave up 55.7 points per game. The Rams Basketball Team had a banner year.

Bill Hart led the team to one of its best seasons. Hart lettered for four years in basketball; he was the leading rebounder for the last three years, and the leading scorer this year. Hart led the squad to two District Championships in three years, two Tri-River Championships, and two consecutive undefeated regular seasons. Coach Terry Konkle calls Hart "the most unselfish player I've ever had—tremendous competitor and team player". Besides Hart, the two starting guards, Scott Piereson and Larry Knapp, showed lots of hustle and desire that helped pull the team through some tight spots. The same can be said of Joe VanOverloop and Steve Stuitts, the forwards. The team showed co-operative spirit and scoring consistency. Steve Stuitts will be the only returning starter, along with nine lettermen who shall continue the Rams' success.

Rockford's Wrestlers Take 3rd

Sparked by Ron Sharpe's state championship performance at 165 pounds, Rockford sailed to third place in the state Class B wrestling meet at Godwin Heights Saturday night.

Charlotte nipped Dowagiac in a close race for team honors, 29-26, while Rockford amassed 24 tallies.

Leo Tobian of Wyoming Park continued his reign as a state champion by decisioning Rockford's Mike Selleck at 103. Tobian was last year's 95-pound champ.

Dave Ross of Belding (165),

Larry Cardinal of Forest Hills (120), Tom Blauwkamp of Zeeland (133) and Art Cantu of Godwin (138) won consolation championships — third places — and Randy Simon of Forest Hills (180) took a fourth.

Selleck finished with a 22-2-2 season record, while Sharpe established a school record of 29 consecutive wins in addition to being the scoring leader and scoring the most pins.

Greg Hobart was a very welcome surprise this year as he posted a 19-6 record finishing among the top two in most tournaments and using his favorite hold—The Guillotine—to defeat his foes.

Ken Gerber, Mark Haworth, and Greg Hobart improved tremendously to rank as some of the better wrestlers in the area. The Rams also won the Kenowa Hills Tournament, and placed third in the conference, district, and regional tournaments.

1968 TRACK

The Rockford Rams won the track championship by going undefeated in the five dual meets. The Rams also won the Tri-River Conference scoring 76 points to second place Sparta's 43. Overall, the Rams had 6 wins and 1 loss in dual meet competition; they placed fifth in the Red Arrow Relays, and won the Conference meet.

Outstanding performances were given by Joe Longcore, who set a new school record in the 440 yard dash. He broke the school record set by Carl Streeter in 1932 with a time of 51.6 seconds. Joe Longcore anchored the mile relay team consisting of Ken Fisk, John Gordon, and Mitch Pinckney. The mile relay team set a new school record for that event with a time of 3 minutes and 37.7 seconds. Karl Daukss led the team in scoring with a total of 82 points. Even though the track team will miss Joe Longcore, Randy Hayes, David Rooker, Jim Carlson, Bob Abplanalp, Don Breckenridge, Roge Dresden, and Bob Warner, there will be enough returning lettermen to assure a good season this year.

Two new school records were established in 1968. John Heible established a new low score with a 35 and the team did the same with a 154 in a 9 hole match. Both records were set on the front nine at Silver Lake Country Club.

They were: 3rd baseman Ken Thompson, shortstop Randy Havens, center fielder John Steinbach, 1st baseman Stuits, and Wolven. Wolven was also voted M.V.P. on the team.

The J.V. team finished second in the Tri-River Conference league behind the Sparta Spartans. The most outstanding player on the squad was Jeff Sage. Sage led the team in all hitting categories. Larry Curtis did a fine job for the team on the mound. The fine crop of talented players on this year's team should help next season's varsity ball club.

“ALL MY SONS”

“All My Sons”, this year’s all school play, is about the Keller family shortly after World War II. Joe Keller tried to hide the fact that he was responsible for shipping defective parts for airplanes. He tried to convince himself that he was no worse than anyone else. He felt responsibility to his family, but the play points out the real truth—that we are responsible to everyone, and that all the boys in the War were Joe’s sons.

"THE IMPORTANCE OF BEING EARNEST"

This play, written by Oscar Wilde, is about a rich, single man whose name is Algernon, and a quiet, nervous fellow named Jack. These two enterprising young men were the basis of a tale of a double love affair. The two women involved fell in love with the men, each thinking that his name was Earnest, but they were in reality Algernon and Jack. In the end the girls find that they were deceived, and also realize that they do not love the real men. That shows the importance of being Earnest . . . or something like that.

"BYE BYE BIRDIE"

"Bye, Bye Birdie" is a bright musical, written in 1960, and now performed at R.H.S. in the spring of 1969. Mike Stewart's book is a tale about an Elvis Presley-type rock and roll singer who gets the call from Uncle Sam. Conrad Birdie's manager gets a great "last fling" idea from his secretary-fiance, and Conrad travels to Sweet Apple, Ohio, to kiss one sweet Kim McAfee goodbye, as a symbol to all his other fans. The story actually centers on the ups and downs of Albert, the manager, and Rosie, his secretary, in their battles with the conflicting powers of love, the managing business and an interfering mother-in-law-to-be. In the end everything, for Albert, anyway, is "Rosie" as the crowds wave "Bye, Bye" to Birdie.
